May 27—Shelter Boxes

June 3—Posies Day!

June 10—Scholarships

June 15—Board mtg

June 17—Business

June 24—Installation
Dinner

Sign Up Now for Rotary Spring Activities

Please consider which of these service and fellowship activities you can take part in this spring. **If everyone in our Club can participate in at least one event, we will have excellent representation** within our community and our Rotary district. And, we will be better at Service Above Self.

April 18—District Assembly from 9-11 in Hudson Falls will have workshops on member orientation, Secretary and Treasurer training, fund-raising ideas, Rotary Foundation, and more. **New club members and Board members are especially encouraged to attend.** (No charge!) See Steve Heidorn to sign up.

April 18 or 19, or April 25 or 26—Rebuilding Together provides a great hands-on service experience in helping lower-income or elderly community neighbors repair their homes. This is one of the best hands-on service activities our Club performs each year! See Bill Hieber with questions.

May 1-2—District Conference is an annual meeting and social event of the district. Golf tournament and awards/recognition dinner at Van Patten Golf Course in Clifton Park. Business meeting on Saturday at Skidmore. Saturday evening tropical-theme dinner/dance (luau, pig roast, beach party dance) at Longfellows. Meet other Rotarians, learn more about Rotary, and have some fun in your Hawaiian shirts (really!). The \$150 two-day conference cost will be entirely or partially paid by our Club, depending on how many attend. See Deborah Czech to sign up; deadline April 17.

Let's Sell Those Roses!

Our Posies to End Polio fundraiser supports Rotary's global efforts to eradicate polio. Members of the International and Rotary Foundation committees have organized a great program of **red rose sales (\$20/dozen)** and a **May 17 community forum** featuring polio survivors, medical professionals, and Rotarians who have participated in Rotary's National Immunization Days..

Information is posted on our web site, (www.saratogarotary.com) in case you have missed earlier announcements about this effort.

Remember, we are each to sell a minimum of 5 dozen roses.
